Biography or Historical Sketch

Founded over twenty years ago, the El Paso Collaborative for Academic Excellence aims "to ensure academic success for all students, K-16; to ensure that all students graduate from high school prepared to enter and succeed in a four-year college or university; and to close achievement gaps among groups of students." This education reform initiative focuses on teaching training and leadership skills, parent development, and classroom operations as a way to achieve its goals.

Series Description or Arrangement

Series is minimally processed.

Scope and Content Notes

The El Paso Collaborative for Academic Excellence series (part of the UTEP Collection) dates 1991 – 2010. Types of records include course materials, publications, and notes. This series is minimally processed. These records help document the goals and activities of the El Paso Collaborative for Academic Excellence from 1991 – 2010.

Provenance Statement

Transferred by the UTEP Centennial Office.

Restrictions

None.

Literary Rights Statement

Permission to publish material from the UTEP El Paso Collaborative for Academic Excellence records, must be obtained from the C. L. Sonnichsen Special Collections Department, the University of Texas at El Paso Library. Citation should read, UTEP Collection, El Paso Collaborative for Excellence records, C. L. Sonnichsen Special Collections Department, the University of Texas at El Paso Library.

Notes to the Researcher
